Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicant brings to the attention of the Examiner the documents listed on the attached PTO-SB-08 form. Applicant files this Information Disclosure Statement (IDS) after the period set forth in 37 C.F.R. § 1.97(b), but before the mailing date of either a Final action, Quayle action, or a Notice of Allowance, to the undersigned representative's knowledge at the time of filing this IDS. This IDS supplements the IDS filed September 10, 2003.

Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental Information Disclosure Statement includes the following certification as specified by § 1.97(e): The documents listed in this IDS were first cited in the attached Notice of Reasons for Rejection mailed by the Japanese Patent Office on May 10, 2005, in counterpart foreign Application No. 2002-322094, and this

Information Disclosure Statement is being filed within three months of the mailing date of that communication.

Applicant attaches copies of the listed documents. Applicant respectfully requests that the Examiner consider the listed documents and indicate their consideration by making appropriate notation on the attached form.

In lieu of a statement of relevance or full translation of the non-English documents, Applicant encloses the English language version of the attached Notice of Reasons for Rejection, mailed on May 10, 2005, in counterpart Japanese application No. 2002-322094, citing and setting forth the relevance of the attached documents.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute “prior art.” If the Examiner applies any or all of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute “prior art” under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any or all of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
